In Memoriam

In memory of our son, LARRY HOUSTON JOHNSON, who passed away eight years ago, January 10, 1965.
Larry dear they say time will heal all pain.
But with us it is not the same
For the memory of you grows stronger as the years go by.
Eight years ago you were quietly called away
We all saw you laid to rest and on your grave wreaths we lay.
And to each other we say
Here lies a precious link in our family that we will never forget.
Mom and Daddy 1-18-1p

In memory of our mother and grandmother, Mrs. Odell Almond, who died 7 years ago, January 16, 1966. (Died on her Birthday)
In my heart a memory is kept
of one I loved and will never forget.
To see your face and watch you smile,
To sit with you and talk awhile
To be together the same old way,
Would be my greatest wish today.
I can not, Lord, thy purpose see,
But all is well that's done by Thee
Sadly missed by Rudell, Hattie, Skeeter and Sharon. 1-18-1p

SCHOOL BOARD COMMENDS VOCATIONAL EDUCATION IN APPOMATTOX COUNTY

Cont'd from Page 1

recommended the Vocational Education Department and especially the Vocational Agricultural Department, referring to the latter as the best in the state and in the nation. Carter was assured of the complete support of the board. All programs in Vocational Education will continually change and adjustments will be made to meet these changes.

Frank Chuchek, Administrative Assistant, reported that work on the new high school was on schedule. He stated that if weather conditions had been better work would have progressed faster and the contractors would now be way ahead of schedule.

In other business the board authorized the development of a Policy Handbook which is required by the Standards of Quality.

Eugene Peyton, Superintendent of Schools, recommended that the board alter the school calendar January 25 - 26, 1973 had been set up for evaluation days and Peyton recommended that the January 25th day be used as a teaching day and only one day be used for evaluation thus making up one of the two days lost due to snow conditions. Board members voted in favor of this recommendation.

A school trip on January 16, 1973, was approved by the School Board agreeing for the Occupational Home Economics Class at Appomattox County High School be able to visit Fabric World in Lynchburg. Students will be able to compare the fabrics, the different textures, and learn about the care of different fabrics.

On a request from Gale McGraw, teacher of Vocational Education - Home Economics, at ACHS, to be released from her contract, the board approved the appointment of Joyce Huffman Wood to replace her. Mrs. Wood, of Buckingham, has experience in the Extension Program. The appointment will be effective January 29, 1973.

The board appointed Mrs. Sandra Mitchell to replace Mrs. Joette Torrence as secretary at the Curricular Materials Center, the appointment is effective immediately.

The board also approved the expension of seven students since the last board meeting.

SUPERVISORS APPROVE PURCHASE OF CATERPILLAR FOR LANDFILL

Cont'd from Page 1

nished by the state. The board authorized the purchase of 200 books of these forms for use by the Sheriff's Department.

Mrs. Virginia Babcock was appointed as Appomattox County representative to the Central Virginia Mental Health and Retardation Services Board to replace Mrs. Jane Pack who had submitted her resignation.

At the next meeting of the Board of Supervisors, on Feb. 5, 1973, the matter of the Appomattox County Motor Vehicle Licenses will be considered.

BIKE-A-THON TOTALS $474.25 FOR CRUSADE

Cont'd from Page 1

cancer and the early warning signals; and number two, it would provide practice for area dentists in giving a quick two minutes oral cancer check which could be incorporated in his daily examination of patients.

Mr. Brenner stated that the high risk group in our area were those of the low income group who normally cannot afford to see a dentist regularly.

If the clinic were to come to Appomattox, there are definite plans to have a free movie shown simultaneously.

Chapter President, Dr. Clyde O'Brien, announced that there would be a state Cancer Meeting in Richmond on February 1, 1973, when the State Crusade Chairman, C. Harrison Mann, will be the guest speaker.

Mr. Mann is a prominent Arlington lawyer. In his spare time he is a golf enthusiast. He was able to uncover that the first Cancer Drive in Virginia was held 225 years ago in 1748. The goal for that year was set at 100 pounds. This was the fair share goal to fight cancer. In comparison the Fair Share Goal for Virginia for 1973 is set at $1,725,000.

Jack Pardee, famous Redskin football player, will be the guest speaker at the District Meeting and Workshop to be held in Lynchburg at the Holiday Inn South on February 26, 1973.

Mrs. Mary Alma Hudson, treasurer, reported that on the Bike-A-Thon held last October a total of $474.25 had been collected. Since the initial Bike-A-Thon was so successful it was hoped that it would be possible to sponsor this as an annual event.

Wayne Tucker, Principal of Appomattox County High School, was elected as a board member to fill the unexpired term of the late Gilbert James.

JR-TRI-HI-Y MET

The Jr. Tri-Hi-Y Club meeting was held January 4, 1973 at the Appomattox Intermediate School. Teresa Cyrus, vice-president led us in the Jr. Tri-Hi-Y opening ceremony. Susan Rosser, Secretary, read the minutes of the last meeting. Dawn Rush gave the treasurer's report indicating a balance of $100.50. Sandy Jamerson then led us in devotions and Gail Moore led us in prayer. Susan Rosser read the minutes of the last executive committee meeting. Then Teresa Cyrus had the program after which the meeting was adjourned.

Virginia Traffic Deaths Up For 1972

Richmond, Va. - A good reduction in traffic deaths for December failed to give Virginia the third consecutive year of death reduction, as 1972 deaths totaled 1238 against 1218 for 1971, Colonel H. W. Burgess, Superintendent of State Police, reported today.

A record breaking 114 deaths for March, 1972, more than made the difference, he said, noting that there were only 83 for March, 1971. The 120 of December, 1971, were reduced to 108 in 1972.

Colonel Burgess said that a rise of about seven percent in traffic volumes lowered Virginia's rate of deaths per each 100 million miles of travel from 4.0 in 1971 to a tentative 3.6, which compares well with the national average of 4.7.

Pedestrian deaths rose from 224 to 244 and those of motorcycle riders from 38 to 57. Deaths of servicemen fell from 67 to 59.

There were 1304 deaths, an all time high, in 1969 which were reduced to 1231 in 1970 and to 1218 in 1971.

"We had every hope of the third year of reduction," Colonel Burgess said, "but we must put our disappointment behind us and work all the harder for a reduction this year, never forgetting that we are dealing in human lives and not just cold statistics."

He concluded in saying that all 1972 figures are subject to slight upward revisions due to late reports and deaths of those now carried as injured.
